

Mind Share Partners' Training & Strategic Advising Offerings

WHO WE ARE

Mind Share Partners is a national nonprofit that is changing the culture of workplace mental health so that both employees and organizations can thrive.

We build public awareness, hosts communities to support mental health ERG leaders, and provides custom workplace training, strategy & advising, and culture change.

HOW WE'RE DIFFERENT

Values-first—period.

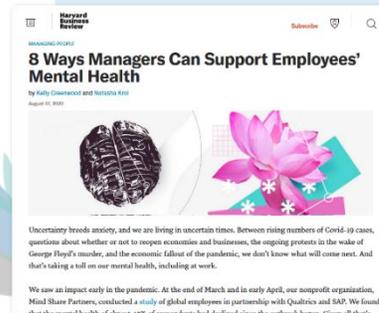

As a nonprofit organization, we are deeply invested in making a meaningful difference in organizations and uniquely positioned to support our clients' internal (culture) and external (public-facing) goals.

Proactive & preventative.

We take a proactive, preventive approach with a DEIB lens, and focus on skills-based learning—going far beyond simply noticing and reacting to signs and symptoms.

Close collaboration. We are a committed partner in your success and focus on measurable and sustainable impact.

Tailored approach. We'll partner with you to understand your unique culture for a tailored and integrated approach focused on the goals you and your people care about most.
